EXPERIENCE

Junior Entreprise Sousse
Junior

2024 - Present

My experience with Junior Entreprise Sousse over the past two months has been a transformative journey. Being actively involved in the club has allowed me to develop practical skills in project management and teamwork while collaborating with driven peers

Spark club ISG
Sparker

2020 - 2021

Spark Club, an entrepreneurship program, challenged me to think creatively, build business skills, and collaborate with driven peers. The experience taught me resilience and left me with valuable insights and connections for future projects, culminating in my reaching the finalists stage.
